

A sentence is a decree of punishment of the court in criminal procedure. In law, a sentence forms the final explicit act of a judge-ruled process as well as the symbolic principal act connected to their function. History - Classification - Philosophies - Process. A criminal sentence refers to the formal legal consequences associated with a conviction. Criminal law theorists believe that sentences serve two purposes. Second, a sentence serves the goal of retribution, which posits that the criminal deserves punishment for having acted.
